TIDES HOTEL TO GET '68 MEETING

During the 1967 Annual Membership Meeting the members in attendance changed the date from the third weekend in June to the fourth weekdng for the 1968 meeting. This was done without knowing if any of the proposed sites could accomodate our group.

Out of the six possibilities the Palm Beach Towers at Palm Beach and the Tides Hotel at Reddington Beach were the two sites to compete in the run-off Sunday morning. The majority of those in attendance chose the Palm Beach Towers.

The Executive Secretary, who was conducting the vote, remarked that if the Towers could not take us on the fourth weekend perhaps the Tides could. Then President Philo said that we would leave it up to the Executive Secretary.

When the Palm Beach Towers was contacted it was found that they had another convention scheduled for the fourth weekend of June. They could take us on the 28th, 29th and 30th of June in 1968. The Tides could take us on either of these weekends. The Executive Secretary did not want to accept the responsibility of setting the time or place so he talked to several of the officers and it was felt that the best thing to do would be to send ballots to the members at the Longboat Key meeting for their choice of time and place. This was done - the results are in - and the vote resulted in 38 for Palm Beach Towers and 22 for the Tides Hotel.

Everything seemed fine as the Towers had indicated they would hold the fifth weekend until the board had met. As we were going to press a letter was received from them and we quote: "I have been obliged to assign the dates of June 28 to 30 to another organization."

We will hold our 1968 meeting at the Tides Hotel on June 21 - 23rd.
